Last summer, I had gone for a holiday with my family to ~~the~~ ^{the} ~~island~~ ^{island}. I am Mandy. I want to tell you something! ~~It~~ ^{was} so interesting! I would like to share it with you.

We arrived on this island in the afternoon. We ~~was~~ were very hungry, so my father decided to go to ~~the~~ a seafood restaurant first. We all agreed. We ate delicious and fresh seafood. We all love it. Then, we checked in into a hotel. Then we could spend our day comfortably. This hotel was a 5-star hotel. It was so grand! ~~That~~ That was my pleasure to stay in this hotel. After that, we went to a temple. It was very crowded. Lots of people ^{were} inside the temple. I don't like temples, so I just walked around. The smell of the temple was not nice! I always cough in the temple. So I quickly ran out of the temple. I went to a village that was near the temple. The people ~~was~~ were so nice! Their houses were small but it was ~~so~~ just enough for them. They satisfied with ~~the~~ ^{it}. There were so many kids! I love playing with kids. They brought me to the garden. I had a great time with them. We played lots of fun games like "Hide and seek". When I walked out from the garden, I saw my ~~family~~ family were standing out of the temple. They were very worried. They didn't know where was I. I felt ashamed. When they saw me, they ran to me ~~so~~ immediately. I cried out with no sound. My tears dropped down like a river. Mum said, "Don't worried worry. We won't scold you. Let's play happily if you

want to go to other places, you must tell us first. ~~Otherwise~~ Otherwise we will be upset. Then we went to a lake.

The lake was big but not deep. We put on our new swimming-suits quickly. We were very excited to swim in the lake. But there was a problem: I didn't know how to swim. I said to myself, "Come on! Let's learn how to swim. If you want to do anything, you must learn!" I took a deep breath. Then I jumped into the water. It was cool! I ~~was~~ tried to learn from my father. He swam like a fish! After ~~a~~ a moment, I could swim! I was so happy!

In the evening, I suggested that we could ~~had~~ have dinner like camping. Then we went to the camping area. ~~Fortunes~~ Fortunately, there were many ~~table~~ and food. ~~It~~ They were ~~for~~ for us! We enjoyed our dinner so much. I ate chicken wings ^{and} sausage. They were ~~just~~ just fantastic ~~and~~ yummy! We went back to the hotel at about 10:00 p.m. We were very tired. We took bath one by one. Then we fell asleep quickly. In the nighttime, ~~we~~ ^{slept} ~~we~~ ~~had~~ ~~a~~ ~~nice~~ ~~dream~~. In the next morning, we got up early. After our breakfast, we went to the ferry pier. We went home by ship. It was a comfortable holiday. I hoped to go ~~there~~ ^{there} again and ^{bring} ~~bring~~ ~~bring~~ again!

My dear schoolmate, I think this island is a good place for ~~travelling~~ ^{travelling and learning}. If you have a holiday, you can spend your time there! It will be ~~for~~ great! You can get fun!
