During the night, we came out of our hiding place when there was no one around. The store was very quiet. First, we went to the fashion store. There were three dummies. Suddenly, two dummies became a man and a lady! The lady walked down and the men wanted to talk to me. I was very scared.

Next, we went to the toys store. A few minutes later, the toys became true! A plane was flying. A car was driving by a tiny man. Superman was running to help people and a car went 'Bang! Bang!' I tripped over a car. I felt very pain.

Then, we went to the art store. My friend saw a picture that a young man and a young lady were riding on a horse. Suddenly, the young lady came out! It was amazing.

Finally, we went to the books store. Thirty seconds later, the books flied! They were like some birds fling in the sky. My friend and I was very scared.

Although I was a bit scared, I think the

things were amazing. I wanted to go there  
again.
