Last night, my friends and I decided to hide inside a big department store. However, when the doors were all locked and there were no one except us, we found out that all the things became alive! The dummies came out and attack us, we ran away quickly and arrived the toy department. But then, all the toys ran out and some of them slipped us onto the floor. Luckily, one of a big Barbie car ran toward us and told us to drive it to the art department for no reason.

When we went to a corridor in the art department, we were all scared by the horses and people inside the pictures, they all came out from the pictures and began to attack each others! At that time, I really wished there is a picture of my god. We were tired, but still we have to run away.

We ran and ran and suddenly, we saw a bookshelves <sup>that</sup> full of books. Many of them flew toward us and told us many stories together. Of course, it was noisy! Then, I saw one of a book called 'The way to save you from this department store', I don't know what it is for. However, I thought it might

helped us so I read it and followed the instructions.  
It really helped us! We were all happy about this and  
when the guards saw us, they didn't punish us and let  
us go. How strange!

From that day on, we kept this secret and  
we all afraid <sup>of</sup> to go to department stores at night. I  
hoped that department store won't have a nightguard <sup>or</sup> otherwise,  
he or she will be dangerous.  
if they can't find that book
