When I and my friends came out, there was ~~no~~ one around. We went to the Fashion shop first. Strange things were happening. The Dummies ~~were~~ moving! They caught me and everyone are screaming. I ~~fought~~ the Dummies and ran away with my friends.

But when we ran to the Toy shop, we saw the toys were moving too! A plane ~~flied~~ to my way and wanted to hurt me. Luckily, I noticed that and ran away quickly. We ran again.

Then, we went to the Art shop. Suddenly, some people and horse in the picture came out. I was very scared and I scream again. Someone pulled my hands and we went to the Book shop. Like before, the books on the shelf suddenly all came out and hit us. We fell down and slept.

When we woke up, we were at home. My mum came in and said that we slept about two days. We <sup>my</sup> told her about the adventures in the department store but she didn't believe us. She laughed and said we were dreaming. Maybe she was right, but we will never ~~play~~ went to that department store again. Who knows ~~if it~~ <sup>when</sup> will it happened again?
