Monday 1<sup>st</sup> May

Today I did a very bad and naughty thing. I don't want my parent to know that because I am afraid of them. In the morning, I went to school at usual. My teacher saw me and said I didn't hand in the homework. I was very angry because I have <sup>already</sup> given my homework to her! After school, when I was on the way home, I saw some bad gang who were my primary school's friend! I wanted to go home quickly because they ~~hit~~ <sup>will</sup> hit me! Unfortunely, they saw me and said that if I went to 7-11 and stole thing with them, they will give me three hundred dollars! I thought for a while and agreed ~~it~~ <sup>them</sup>. I agreed them because I was very angry with my teacher and also my parent. But when we went inside the 7-11, some policemen went behind <sup>us</sup> too. I didn't know what to do so I went away. The policemen didn't know what I was doing either. I ran and ran. I pushed an old man on the floor and I didn't help him! After I <sup>to get up</sup>

went home, my mum was cooking supper. I didn't tell her what happened today. I locked myself in my room until it was bedtime ...

Today I did two bad things that I haven't done it before. Should I tell my parents or not? Will they read my diary and punish me? I hoped that these bad <sup>things</sup> will not happen on me anymore because the police almost caught <sub>me</sub> if I stole things!
