Recently, I did a very naughty thing, this was the naughtiest thing. I have done it before. I stole money from my mother and father's desk!

That day, I saw a very beautiful and big model car but it was very expensive. I had not too much money so I went home to take money. After I arrived at home, I saw my money bag was locked. I couldn't find the key at home so I took my other money out of the lucky bag.

Then, I bought it and saw a model helicopter on my way home. The model helicopter is more expensive than the model car. I went home to take money again because I wanted to buy it too.

After that, when I was taking my mother and father's money, my mother came home and saw me take her money. "What do you doing?" she said. "I want to buy a model car but I can't find

blags' key.' I said. 'This is a very naughty thing.'  
she said. When we were talking, my mother  
saw a model car on the floor. 'Why it is  
a new model car on the floor?' she said. I said  
It is because I bought it twenty minutes before.  
I am very sorry, I bought a car but I want  
to buy a helicopter.'

Finally, she forgave it because I said sorry to  
her.
