Sunday

Today I did a very naughty thing. From now on, I am not a good child anymore.

Recently, I have met a few friends. However, I found that they were not good.

This morning, I was boring. Therefore I went out and bought some tasty food, bread to eat. While I was buying bread, my mobile phone rang. 'Hello!' I said to my bad friends.

'Do you want to play something which is interesting?'

they asked. 'What do you want to play?' I asked them. 'Let's steal things from the supermarket!'

they said fondly. I was shocked and said, 'hush!'

'You can't do this, can you? You cannot be good children if you do this!' 'Don't say anything more! Will you come with me? If don't, you can't be our friend!' they shouted at me. At that time, I had no friend. Although stealing things is not good, I was afraid of I will be no friend. Therefore, I went with them.

We brought along our own large bag.

When we arrived at the supermarket, I was very scare because some policemen stared at me. 'Don't be afraid! We have already stolen three times in this supermarket. The people who are work there are silly!' they said. We walked into the supermarket and chose what would we stole.

After half hour, our large bags were full of things. We left the supermarket and started to run because the bell which is in the supermarket rang! Finally, we didn't catch by anyone. However, I went back the supermarket. There were lots of policemen. I said to them, 'I am the thief who was stole there today! Catch me please!' I cried. They brought me to the police station. At that moment, a policeman came. He asked me why did I steal things from the supermarket kindly. I said my bad friends asked me to go. If not, I can't be their friend. At the same time, I saw my bad friends are caught by other policemen. 'You must choose good friends, said the kind policeman. I was still remember his advice. I will not do this next time!
