Today was the worst day for me, I have done a very naughty thing.

In the morning, I went to school by bus. When I arrived school, the school bells were ringing, so I came into the classroom quickly. Luckily, my class teacher, Mr Wong didn't punish me. The lessons started, my English teacher, Mrs Lam came in. Her hands carried some exam paper. That time, I was very worried, because I thought Mrs Lam would give back the exam paper for us. I knew I would not have a good marks in the exam, because I haven't studied my homework hard working before the exam yet. Oh! I have thought correctly, Mrs Lam really gave back the exam paper for us.

Every classmates have got the exam papers, some of them were shocked, some of them were interested and also some were excited. But, I was worried. I got fifty marks in the English exam, it was the lowest marks in my exam of class one to class six. I also afraid to give the exam paper to my mum, she would punish me angrily.

At three o'clock, all the lessons were over, we came back to home. When I came home, I didn't say anything, I went to my room quickly. I put the exam paper in the drawer, because I didn't

want to mum will see that.

Later, I got out the room and sitting on the sofa in the living room, Mum has cook some food for me to eat. They were very delicious.

Oh! Mum asked me some questions about the English exam paper. 'Hey! How many marks you have got in the English exam papers?' asked mum.

I did not say anything. Mum knew there were some problems in my exam, so she told me to take out the exam paper quickly.

'I will not give you my English exam paper,' I said that angrily.

Then, mum went into my room and found the exam paper from my school bag. She could not find it in my school bag, so that she found it around my room.

Finally, she has found my English exam in my drawer. She saw my marks and really punished me angrily. 'Why you are fair in the exam, Why you put the exam paper into the drawer and didn't want me to see that? You are a very naughty boy!'

I said sorry for that to mum at last.

I thought it was the naughtiest thing I have ever done.
