Dear Diary,

Today is the worst day of my life! Guess what? I put glue in my enemy's Kate's fried rice! Well, I didn't do it all by myself. Brian, Kenny and Davy told me to do it. I hate Kate a lot because she had drew on my picture during Art lesson, she threw a worm on my head, she tore the Christmas cards that I was about to give my friends and she threw my favourite pen into the rubbish bin!

How could I bear someone so horrible? So, during recess, Brian, Kenny and Davy gave me a bottle of extra sticky glue. They suggested me to put it in Kate's lunch. If I could finish my task, they will bring me to sing Karaoke! So, during PE lesson I pretended to go to toilet but I sneaked back into my classroom and poured the whole bottle of glue into Kate's lunch! But Kate didn't realized during lunch! I hope she will go to hospital in a few days time. She might even have an operation! I hope she wouldn't have a revenge on me! She might throw me into the toilet pot or draw pictures on my notebook or even worst... She might tell our class teacher - Miss Wong. ^{Then} Miss Wong will tell the headmaster. The headmaster

will phone my parents and my parents will be very
cross. They might ^{make} me change schools and I
will miss my ^{best} friends - Jenny, Sue, Mary and Cherry
very much. Worst than ever, the new school might have
super strict teachers and unfriendly schoolmates!

Oh! I wish I hadn't did that nutty thing to Kate!

Best,

Jaslyn
