Last week, I suddenly became a super star in school because of

Last Monday, when I was having English lesson, I had to write a poem. The amazing thing was my hands suddenly out of control, it helped me to write a very ^{my} very good poem, if I closed my eyes, I can still write. I could believe what ^{at that time} am doing. Then, I asked my ^{not} mom what ^I happened. She said that I have drunk a kind of special juice, so that I have super power.

I drank this kind of juice for three days, but on Tuesday.....

I have drunk all of them. When I needed to write a poem, I forgot that I don't have super power now, I still close my eyes, but my hands could not write. When it was time to stop, I have not written any thing on the paper, I was very scared at that time. But I still need to hand it to

my teacher. My teacher was very angry with me and everyone looked at me, they were very disappointed I knew. "Go to the Teacher Room and wait for me at recess!" my teacher said.

At recess, I went to the Teacher Room. My teacher asked me why I could not write a poem. I said that I have drunk a kind of special juice. I talked about this "juice" for ten minutes.

Luckily the bell rang and the teacher let me go with a verbal ^{just} warning.
