'Good night, my sweet heart!' My mum said softly, 'I love you, mum' I whispered. My mum turned off the lights and closed the door.

After mum closed the door, I shouted, 'Yeah!' Then I got all my toys. I got my favourite teddy bear, and I shook it and shook it until the teddy bear's eyes were fell down, I threw it at a corner of my room. Then I got another toy rabbit and shook it again. Suddenly, there was a strong light. I shut my eyes tightly!

When I opened my eyes again, I found myself was in a dark, dusty box. There were many toys in here. A toy rabbit whispered to me, 'You are unlucky, poor teddy, I heard our master says he will shake you today! We will prepair a glue for you.' 'What? I am a human!' I was puzzled. 'Are you kidding? You are a teddy bear!' The toy rabbit looked surprise. I checked my hands and feet. Then my mouth dropped open. My hands and feet became brown colour! I was frightened. I had no idea what would happen!

Before I could think, I heard a sound, 'Yeah! It was free time!' Then a big, sticky hand caught me! I yelled, 'help!' Toy rabbit whispered, 'Our master is the scariest person in the world! We can't stop him. Be careful! Otherwise you will fall into the deadful hole!' 'What's the deadful hole?' I thought. Before I could think, this horrible master shook me!

He shook me and shook me! When I saw the master's face, It

was my face! I was the master! But why I became a teddy bear? It made me puzzled. The master shook me again! I felt very dizzy and sick! I thought, 'Stop! Stop shaking me like that!' But the master seemed didn't listen. He shook and shook until my eyes fell down. Then he threw me into a big hole. Through the hole there was a dog, its name was Peter. It was my pet dog. When it saw me, it bit me and shook me again! I shouted, 'I won't shake my toys again!' Suddenly, a strong light appeared again! I shut my eyes again!

Then I heard a soft voice, 'Wake up, my sweet heart. It's time for school!' I woke up with a start and realized with relief that it had just been a nightmare!
