PRIMARY 6 -- ENGLISH

Question

Recently you see this notice in the newspaper, on TV as well as in the MTR stations:

"Reduce, Reuse, Recycle:
The best way for people to care for the Earth"

Then in the English lesson, your teacher asks:

What can Primary 6 students reduce, reuse or recycle? And how can they do it?

He/She wants you to present your answers in an article.

The outline below may help you in answering the questions:

- personal life
- family life
- school life

Write about 200 words. Give your article a title.

END OF QUESTION PAPER

PRIMARY 6 -- ENGLISH

Reduce, Rense, Recycle

What can us do to care for the earth? Here are the ^{ways} ~~answers~~ to care for the earth.

~~At home, we can plant some plants so the air will be more fresh.~~
~~We should also give ^{our} ~~them~~ plants water everyday so they can grow.~~

In our personal life, we can put the ^{plastic} water bottles into recycle bins, instead of rubbish bins. Do not think that this little move will not help

the earth, because when ~~all~~ all of your family and friends do it together,

I'm very sure that we ~~can~~ ^{did} ~~our~~ best and we sure ~~can~~ care for and the cans

the earth. Besides, we can also throw ~~the~~ ^{and the cans} our the old newspapers into the

recycle ^{bins} ~~bins~~. The old nespapers[^] are useful, too. You can find ~~these~~ those ^{recycle bins} ~~recyt~~ everywhere in the streets so you don't ~~need~~ ^{need} to worry. ~~about~~ ~~about~~

We ~~can~~ shouldn't waste and we should always reuse ~~things~~ our things

instead of throw them away. ~~For~~ We can also donate them to some poor

people, too. For example, we can donate ~~our~~ ^{our} ~~the~~ old ^{clothes} ~~clothers~~ that ~~do~~ we

don't need anymore. ~~You~~ You see, if we just throw our old clothes away,

they will be ~~unn~~ useless and become rubbish. But, ~~if~~ if we give them to

the poor people instead, maybe we can help ~~them~~ them a lot by giving

them clothes to wear. Although we ~~do~~ don't need our old ^{clothes} ~~clothes~~, some

poor people ~~may~~ might need them.

In our ^{school} ~~family~~ life, we can suggest ~~to the~~ ^{our} ~~best~~ teachers to make

~~a~~ ^{activities} ~~activitites~~ that helps the earth more often. For example, we can

We do this to show our support ~~to~~ to our earth.

join a ~~pl~~ tree planting ~~at~~ activity on weekends. It's a ~~it~~ interesting ~~act~~ activity that which can ~~can~~ make the ~~air~~ ^{more} air [^] fresh. ~~and~~ ~~of~~ You might think that we can't ^{the} help a lot by ~~doing~~ planting ~~the~~ trees by ourselves, but actually, ~~we~~ ^{sure} we can help our earth if we ~~join~~ tell our teachers and classmates ^{sure} ~~family and friends~~ to join ^{at} the [^] tree planting activity together. ~~the~~ ^{for all of} more people ~~we have~~,

There's ^{also} ~~an~~ another way to help ~~the~~ ^{the} earth if you don't like to plant trees. You can join a ~~1st~~ second-hand book selling activity. It's a great activity ~~to~~ which you ~~can~~ ^{can} buy some ~~second~~ ^{second} - hand book ^{at} ~~in~~ a very cheap ~~price~~ and sell ~~your~~ the old books that you don't need to others ~~who~~ ^{want} ~~might~~ need your book. You can help the earth by ~~reuse~~ reusing the old ~~books~~ and earn ~~some~~ money. ^{Don't} ~~Do~~ you think it's a ~~it~~ very nice activity? Don't be worry if you don't know how to join a second-hand books selling activity, because a lot of primary ~~and~~ ~~secondly~~ schools have already started to hold this ~~kind of~~ activity.

In our family life, we can ~~help~~ show our care to ~~the~~ our ~~our~~ earth by joining some recycle ~~activities~~ ^{at activities} ~~activities~~ with our family on weekends instead of watching T.V. at home. There are many recycle activities in Hong Kong for us to join. Don't forget to get all ~~of~~ of your plastic bottles, old newspapers and ~~old~~ cans ~~you have~~ at home and give them to some poor old people who picks these things to sell. They really need our help. If we don't need these things, who ~~don't~~ don't we give them to ~~others~~ who need it?

The above ways ~~can~~ ~~are~~ are really inportaned. Each of the ~~are~~ interesting activities can help the ~~our~~ earth. Actually, these activities don't only help ~~us~~.

our earth, ~~these~~ joining these activities can also help ourselves
because we're ~~a~~ now all living ⁱⁿ the ~~a~~ earth. I'm sure that we'll
have a better life if we join these activities and show our care
to our earth. ~~So~~ So, start ^{helping} ~~help~~ ~~the~~ ~~our~~ ~~earth~~ ~~from now on!~~ from now on!
