Where we should go to ?

Blearwater Bay is a place where it is fun to play, there are a lot of things to do there. We can go hiking, play on the beach, go resting, play in the water, have a race, go swimming and have a barbecue.

I think we should go to Blearwater Bay because it is in summer now. Blearwater Bay is good because we can play in the water to be cool.

The second reason why I want to choose Blearwater Bay is that it will be fun to have a barbecue. Everybody likes to cook their own food.

The third reason is that hiking is good for our health. We can go and see the beauty of nature and breath fresh air.

Although some people say if we go hiking, we may have a fine and die but I don't agree because if we all be careful, there will not be a fine.

So the conclusion is that we should go to Clearwater Bay because it will be safe and fun. I hope everyone agrees with me because I really like Clearwater Bay very much. If you are not sure, just give it a try. I'm sure you will like it.
