A trip to Beijing, China

I am overjoyed to <sup>have a chance to</sup> choose the destination of our trip during the Christmas and New Year holiday.

I will choose Beijing, China for the destination of our trip and I have three reasons.

Firstly, I am thrilling to visit the Great Wall of China! It was built in the ancient times of China to ensure the people from other places can't go into China. The soldiers can shoot arrows from the holes in the building which was built by stone. I really want to have a view of this historical wall as it was built by people without any machines!

Secondly, I can try the traditional Chinese food which my friends told me <sup>that</sup> it was fantastic! I especially want to try some food on the street!

Lastly, I can visit the palace of the Queens and Kings. I heard that the palace is enormous and luxury and the palace even have a stunning view! It would be fantastic if I could have a picture taken with the palace. I also want to know how the life was in the palace and feel the luxury of the palace.

I have been looking forward to have a trip in Beijing for a period of time. It would be an unforgettable experience to go to Beijing.

As a result, I will chose Beijing as the destination of our trip.
